

# Daena and Sarahs Lego Paradise

**Take a flat grey block.**

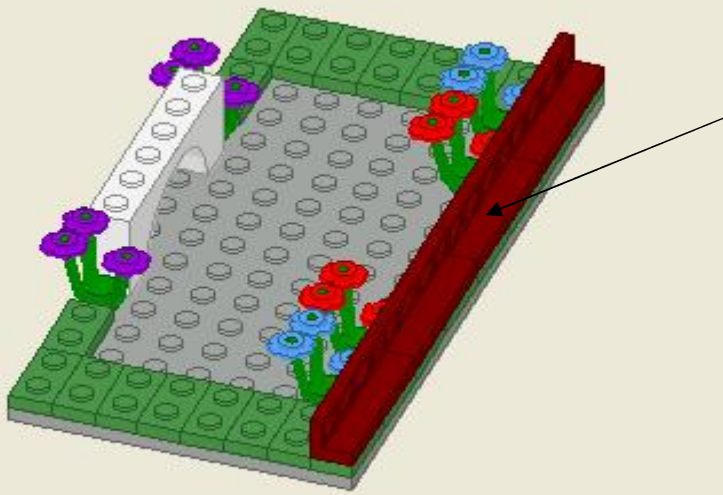

**Then take 20 thick blocks and 4 thin blocks. The black arrows are thin blocks and the rest of them are thick blocks.**

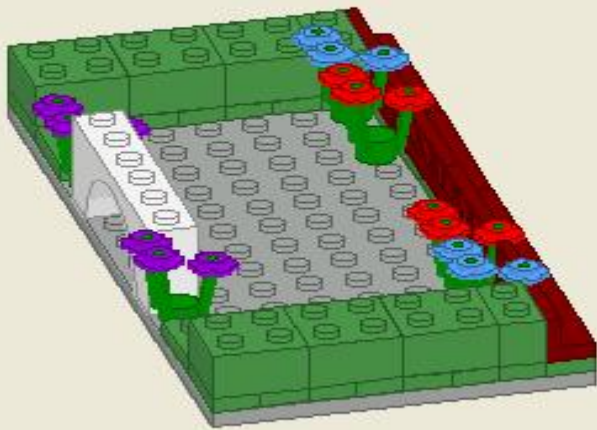

**take four flowers. Two blue ones and two purple ones. After that take a white arch and place it in between the purple flowers as seen on the picture.**

**Then put a fence all the way across the right hand side of the model looking from this position. Then add two blue flowers.**

**Then take six large green blocks and two small thin ones.**

**And then add a man to the model.**

**You have now finished your model.**
